EXPERIENCE

DESIGN INTERN | ZURB, Inc.

Summer 2017

Redesigned the web application, Enroll. Researched competitors, completed web audits, low-fi and hi-fi wireframes, user tested the designs, completed visual assets, CSS animations, HTML, and Sass. Presented the progress biweekly to receive constructive criticism and discuss opportunities for the app.

DESIGNER / TEAM LEAD | Studio 165+

2017 - Present

Competitively chosen from the Graphic Design Department in the School of Art at Ball State University to construct a design studio. Create identity systems and design visuals (both print and web) and communicate and present ideas to clients. As Team Lead, I oversaw roles of a select group of students, delegated work, presented solutions to clients, and conducted group meetings.

DESIGN MASTER | Digital Corps

2016 - Present

Collaborate with students from multiple disciplines to create web and print design solutions for Ball State clients. Provide mentorship and leadership to other students. Work closely alongside student developers, videographers, marketers and user experience specialists to meet project deadlines.

JUNIOR PROJECT MANAGER | Digital Corps

2016 - Present

Create, plan, and manage timelines, lead team meetings, and help team members progress on a project in order to make deadlines. Address and solve possible obstacles, communicate with clients, and lead client meetings.

GRAPHIC DESIGNER | Hero Design Company

Summer 2015

Met with children within Cincinnati Children's Hospital to design personalized superhero capes. Collaborated with a team of twelve designers to create, sew, and deliver the capes.
